

BOWTHORP

--COMPANY LIMITED--

ABOUT US

Bowthrop Company Limited (BCL) is a limited liability company incorporated under the laws of the Federal Government of Nigeria with key interest in Information Technology, Agriculture, Construction, Property Development, Travel and Logistic Support, and general services.

We are a 100% employee owned company whose daily actions are guided by our core values. Our commitment to outstanding job completion, exceptional customer service and superior safety performance has made us a partner of choice in the Industry.

WHO WE ARE

OUR VISION

Our vision is to become a leading Company in the Country with diverse interest in key sectors of interest, and reputed for qualitative and top tier service.

OUR MISSION

Our mission is to offer qualitative and cost effective services to our clients and attract patronage from our targeted market.

WHAT WE DO

COMPUTER SYSTEMS CONSULTANCY, SUPPLY AND MAINTENANCE

We pride a highly skilled Information Technology (IT) department who have provided information technology solutions to both private and public institutions across the Country. We offer services ranging from data communication, databases, trade with specialized equipment, telecommunication services, and training.

In addition, we offer sales, supply and maintenance services to clients with our product lines including but not limited to computer systems, Notebooks and handhelds, Mobile telephone, Smart phones, Printing equipment and multifunction, Digital imaging projectors and audio scanners, Storage devices, and Servers.

LOGISTICS AND TRAVEL SUPPORT

We appreciate that travellers often find it difficult settling and moving around when they arrive at destinations where they are not resident. BCL Travels innovative and cost effective model helps travellers facilitate their travel logistics by providing on ground support for a convenient and effective experience. We have grown over the years to be a leading Travel Management Company. We house over 25 highly trained employees to attend to clients' corporate, leisure and individual travel needs.

We offer an integrated technology infrastructure that provides intelligent analysis of travel data, allowing corporations to maximize the return on their travel investment. For travellers, we offer consistent service and a broad range of resources to help them stay satisfied, productive and focused on their business objectives. From flight bookings to hotel drop offs and city run around, BCL is the logistics and travel support partner you can trust.

WHAT WE DO

PROPERTY DEVELOPMENT AND MANAGEMENT

BCL Properties specialises in urban development and management of residential, mixed use and retail properties, we have successfully been able to provide investors and our partners with above average returns due to our keen insight of the Nigeria Property Market. BCL Properties applies its knowledge of the market and neighbourhood trends to identify and acquire real estate in areas that have substantial upside appreciation potential post acquisition and development.

Bowthrop Company Limited seeks situations where it can apply its entrepreneurial expertise and value added approach. The company relies upon its principals to identify new markets and undervalued assets. It also leverages its public and private sector relationships to enrich the communities in which it invests.

AGRICULTURE

BCL Agriculture specialises in identify special situations and mispriced agricultural assets and acquire and operate land to farm both food and cash crops with particular focus on commodities that are strategic for human/livestock consumption or energy production.

We have a long-term outlook to build a sizeable and sustainable operating company and expand our operations through both acquisitions and organic growth while focusing on assets that yield attractive returns and use debt financing conservatively.

We currently have access to farm land spanned across over 100 acres of land, and operate a sizeable livestock farm located in a community close to the Capital city of Ogun State.

WHAT WE DO

CONSTRUCTION

At BCL Construction, we offer general contracting, construction management, design-build, and preconstruction planning services for projects of all sizes—from a single office fit-up to a multi-purpose residential and commercial building.

We have carried out projects in various parts of Nigeria, we pride a competent team of experts whose commitment, passion and dexterity unrivalled in the Construction Industry. We believe in preserving the true value of the construction ethics, quality and detail cannot be over-emphasised on our projects.

OUR PEOPLE

At Bowthrop Company Limited, we understand that the major tenet of excellence is our team and our continued success depends on our most important asset – our people – which is why we take so much care in recruiting, training, and retaining the best. Our commitment to our people is enshrined in our core values which underpin everything we do.

Our team of staffs are experts in different fields who have shown excellence and high character with extensive experience in core sectors in which we operate. We encourage our people to be innovative, ethical, and most importantly deliver unrivalled excellence to our clients.
